

# List of Tables

1.1	Importance of the Agri-Food Sector in the CECs . . . . .	24
1.2	Patterns of Trade and Price Policy Among CECs . . . . .	29
1.3	Development of Real Exchange Rates in the CEC-10 Relative to the EU . . . . .	37
1.4	Comparison of CEC-EU Accession Studies . . . . .	42
2.1	Commodities in ESIM . . . . .	49
2.2	Modeled Activities . . . . .	50
2.3	CAP Policy Instruments in ESIM . . . . .	53
2.4	Properties and Structural Differences of Partial Equilibrium Models . . . . .	92
2.5	Modeling of Agricultural Policies . . . . .	94
3.1	Scenario Assumptions . . . . .	100
3.2	Development of Production in the First Wave Countries under Different Scenarios . . . . .	106
3.3	Development of Total Domestic Use in the First Wave Countries under Different Scenarios . . . . .	108
3.4	Development of Net Exports in the First Wave Countries under Different Scenarios . . . . .	110
3.5	Development of Production in the Second Wave Countries under Different Scenarios . . . . .	112
3.6	Development of Domestic Use in the Second Wave Countries under Different Scenarios . . . . .	114
3.7	Development of Net Exports in the Second Wave Countries under Different Scenarios . . . . .	116
3.8	Effective Set-Aside under 10 Percent Set-Aside Rate, 2012 . . . . .	120
3.9	Model Results: EU Budget Expenditure as Percentage of Actual Spending for the EU-15 . . . . .	123
3.10	Supply, Use, and Market Guarantee Spending under Different Assumptions for Milk Quotas in the CEC-10, 2008 . . . . .	128

3.11	The Sensitivity of Expenditures for Direct Payments for Area and the Choice of the Base Yield (AGENDA Scenario) . . . .	131
3.12	Results of Different Measurements of Consumer Welfare Effects in the NON-ACCESSION Scenario, 2008 . . . . .	132
3.13	Welfare Effects in the CECs and the EU-15 in the NON-ACCESSION Scenario, 2008 . . . . .	133
3.14	Welfare Effects of the CAP-1992 Scenario in the CECs, the EU-15, and the EU-25, 2008 . . . . .	136
3.15	Welfare Effects of the AGENDA Scenario in the CECs, the EU-15, and the EU-25, 2008 . . . . .	138
4.1	Scenario Assumptions . . . . .	147
4.2	Development of Average NPR under Different Non-Accession Scenarios . . . . .	151
4.3	Development of Average NPR under Different Agenda Scenarios . . . . .	152
4.4	CEC-4 Development of Production under Different Policy Scenarios . . . . .	155
4.5	CEC-4 Development of Total Domestic Use under Different Policy Scenarios . . . . .	156
4.6	CEC-4 Development of Net Exports under Different Policy Scenarios . . . . .	157
5.1	Scenario Assumptions . . . . .	166
5.2	Development of Production and Net Exports in Slovenia under Different Policy Scenarios . . . . .	168
5.3	Scenario Assumptions . . . . .	171
5.4	Development of Production and Net Exports in Hungary under Different Policy Scenarios . . . . .	173
A.1	Gap between EU Producer Prices to CEC Producer Prices and World Reference Prices . . . . .	197
A.2	Development of Macroeconomic Indicators in MEMBER . . . .	200
A.3	Development of Macroeconomic Indicators in AGENDAPPP . . . .	201
B.1	Elasticities of Yields with Respect to Own Commodity Price . . . . .	203
B.2	Elasticities of Area Allocation and National Herd Size, European Union . . . . .	204
B.3	Elasticities of Area Allocation and National Herd Size, Poland . . . . .	207

B.4	Elasticities of Income . . . . .	209
B.5	Price Elasticities of Human Consumption with Respect to Prices, European Union . . . . .	210
B.6	Price Elasticities of Human Consumption with Respect to Prices, Poland . . . . .	212
B.7	Elasticities of Feed Demand with Respect to Feed Prices, Eu- ropean Union . . . . .	214
B.8	Elasticities of Feed Demand with Respect to Feed Prices, Poland . . . . .	217
D.1	Development of World Market Prices in NON-ACCESSION . . . . .	225
D.2	Scenario Results: NON-ACCESSION, European Union . . . . .	226
D.3	Scenario Results: NON-ACCESSION, Poland . . . . .	227
D.4	Development of World Market Prices in CAP-1992 . . . . .	228
D.5	Scenario Results: CAP-1992, European Union . . . . .	229
D.6	Scenario Results: CAP-1992, Poland . . . . .	230
D.7	Development of World Market Prices in AGENDA . . . . .	231
D.8	Scenario Results: AGENDA, European Union . . . . .	232
D.9	Scenario Results: AGENDA, Poland . . . . .	233
D.10	Development of World Market Prices in LIBERAL . . . . .	234
D.11	Scenario Results: LIBERAL, European Union . . . . .	235
D.12	Scenario Results: LIBERAL, Poland . . . . .	236
D.13	Scenario Results: MEMBER, Czech Republic . . . . .	237
D.14	Scenario Results: MEMBER, Hungary . . . . .	238
D.15	Scenario Results: MEMBER, Poland . . . . .	239
D.16	Scenario Results: AGENDAPPP, Czech Republic . . . . .	240
D.17	Scenario Results: AGENDAPPP, Hungary . . . . .	241
D.18	Scenario Results: AGENDAPPP, Poland . . . . .	242
